

Dear Prospective Exhibitors,

The board of directors of the Southeastern Association for Clinical Microbiology (SEACM) cordially invites you to be a part of the 38th Annual SEACM Meeting. This year's meeting will be held November 3-5, 2016 at the Sonesta Gwinnett Place in Duluth, Georgia.

As a conference exhibitor, you will have the opportunity to display your most current microbiology related instrumentation, supplies and services and interact with our attendees from across Virginia, North Carolina, South Carolina and Georgia.

The goal of SEACM at our annual conference is to provide high quality, low-cost educational opportunities with presentations led by experts in the field of clinical microbiology. Support and participation from you and your companies have made the past 38 years possible and we hope you will support this year's conference as an exhibitor.

Currently the Board of Directors for SEACM, is diligently working to improve our website and update our payment process. Information concerning electronic registration and payment options will be forthcoming. Please direct any exhibitor inquiries to SEACMexhibits@gmail.com.

I look forward to seeing you in November!
