

2022 SEACM ANNUAL MEETING REGISTRATION

Due to the issues laboratories are facing post pandemic, the SEACM Board would like to offer registration for our 2022 Annual meeting at no charge for SEACM members. It's been three years since our last meeting. It's time to get back to what SEACM does best, offer our membership the latest topics in clinical microbiology. We hope you can join us for our upcoming meeting. It will be great to finally all get together.
